

Chalk Talk: Reading & Snacking

In order to reinforce the lesson and put TrueSport into action, complete the following Chalk Talk with your athletes.

Instructions

Make copies of the nutrition labels on the following page and pass them out to the group. Give them a few minutes to look at the labels; if appropriate, go through and talk about the serving size and amount of fat, carbs, and protein.

Review the following questions with the group.

- 1. Which item has the most calories per serving?
- 2. Which provides the most carbohydrates per serving?
- 3. Which provides the most carbohydrates per serving with the least amount of fat and protein?
- 4. Which has the most fiber?
- 5. Considering your answers to the questions above, which of these two items would be best for a pre-game snack?
- 6. What other items would be good for a pre-game snack?

Chalk Talk: Reading & Snacking

Answers

- 1. Which item has the most calories per serving?
